Dear colleagues,

The time has come for us to meet up as colleagues this summer in Anaheim, California. The SDAHCA Leadership has helped to plan the conference and look forward to a good gathering of fellow chaplains. As we have done in the past, our meeting corresponds with the APC conference which will take place at the Anaheim Marriott. Below are more details, which will be important for all who are planning to attend.

This year our Theme is "Facing the Future"

Date: July 10-13, 2018

Location: Hilton Anaheim (Right across from the Anaheim Marriott)

July 10 Registration and Fellowship Wednesday Evening

July 11 Continuing Education Thursday

July 12 Agape Feast and Communion Friday Evening

We are finalizing more details for the conference and look forward to hearing some of great presentations. Most importantly, we hope to provide an atmosphere of fellowship and connection. The registration is now open and we encourage you to complete it using the link below.
